The COVID-19 ICU
Design Award honors
a critical care unit that
was built or heavily
modified from late
2019 through May
2020 to expand ICU
bed capacity. The ICU

Get Free Design For Critical Care

design should be
configured to provide
care for COVID-19
patients as well as to
ensure staff safety.

This new award,
available in 2020 only,
has been conceived
to identify and
recognize a critical
care unit that might
not have been in
operation before the
COVID-19 pandemic.
