Elites And Society By Bottomore

In a new concluding chapter, Professor Bottomore considers the prospect, as humanity approaches the millennium, for a renewed advance towards more egalitarian forms of society, in which all citizens would be able to participate more fully and effectively in the shaping of their social world.

Elites and Society - Tom Bottomore - Google Books

In this fully revised classic text, Tom Bottomore poses fundamental questions about the theory and ideology of elites. While a number of theorists have studied the "power elite," the Marxist notion of a ruling class, many more have followed the theories of Pareto and Mosca, who use the term "elite" to critique Marxism, the very philosophy from which this concept first orig

Elites and Society. T. B. Bottomore. Watts & Co. All societies dominated by scarcity tend to produce elites. For this reason theories which emphasize the importance of elites acquire wide currency because they seem capable of explaining so much. But precisely because they can be employed so universally elite theories tend to blur the distinct features of any particular type of society—they ...
