**Michael Farquhar | Audiobook**

•••  
Michael Romanov became tsar in 1613, starting a three-century dynasty. Attempting to hold true to the promises of its title, the core of Secret Lives of the Tsars begins in 1862 with the joint rule of Ivan V and his half-brother Peter, crowned when they were 15 and 10, respectively. Ivan was mentally and physically disabled so his older sister actually ran the country.
