What we now know as the British Library was originally part of the British Museum, and Prints and Drawings originates in Printed Books and Manuscripts. The bequest of book and print collector Reverend Clayton Mordaunt Cracherode had led to the creation of the Cracherode room, a lockable room which a member of staff of printed books, William Beloe, had access to and was responsible for admitting visitors to. Penry Williams. [Book of drawings]. 1822-1826. The National Library's collection of drawing volumes contains a wide variety of material, from the amateur sketches of wealthy travellers to the field sketchbooks of professional artists. The use of volumes for drawing rather than single sheets of paper belongs to the working practice of artists and the availability of inexpensive drawing books via artist's colour men.

Writing on Drawing fills this gap. It gives an insight into current work and it is clear that a paradigm shift is underway. Drawing is, of course, strongly identified with art and design but it is now being seen in a much broader context. The contributions to this book give a new insight into this fascinating activity."
